

Civil Service Is Voted For City At Special Election

Election Adopted Commissioners' Project By A Vote of 119 to 87

Another step forward was taken in the history of the City and certain classes of its employees, when on Tuesday, June 28, the voters of the City went to the polls and voted in favor of the City's Commission plan for a Civil Service System. The Commission prepared and presented the act in a special bill to the Legislature, which enacted it, subject to a city wide referendum vote, before it would become operative.

While the vote was light in comparison with our total registry, some 408 electors came out and cast their vote, 319 in favor, voted for the Commission plan to the City Charter, and 87 against, which was a rather comforting majority for the measure.

The next step will be the naming of a five man or woman board to administer the new department. This board will set up the organization under the provisions of the act, along with other added requirements that may seem apparent and needful. The five members will (Continued on page 3)

Presbyterian Bible School Having Picnic

Approximately 80 students who have been attending the Presbyterian Bible School for the past weeks will attend a picnic at the City Park today. This will be the last day of activities, and as a concluding feature, a program will be given tonight at the Everglades Theatre. Diplomas are to be given to the students at this time.

Lions Have Frolic Day For Retiring President Draz

H. V. (Shorty) Draz, who has presided over the local Lions club for the past year, handled the gavel for the last time, Wednesday, and then, in the evening, the new President, "Spotty" Burr, Draz announced that he would have no last twist for the club, would not stand for setting aside a constitutional requirement by a mere declaration "Spotty" gave up, but instead of not acting, he became as busy as an angry bull, and in the morning, he was up and about, and many a dollar got into the Sight Conservation fund that otherwise would have not been collected.

Ray Whitlock, presented to the new president, two gifts, and a sign, Knight, "Spotty" Spotty's campaign emblem, and the framed charter of the club, which has been lost for around three years.

Outgoing president Draz was requested to sing the closing song as a solo, but he was unequal to doing this job, but he did say a few words of appreciation to the club for honors showered upon him.

Emmett Roberts, deputy governor, gave a short talk on Lions and the inclusion into this group of Earl Lindrope, John Cowart, "Buddy" Larrimore, and Sam Knight, "Spotty" Wiggins was presented with a membership pin for perfect attendance during the past year.

The picnic dinner will be served at the Clewiston City Park and games will be played.

The Reverend Father William J. O'Farrell, pastor of St. Margaret's Parish, will be a guest.

Bill Evans Now Vice President For District DeLaney Chapter

The South Florida District Convention of the chapters of DeLaney was held in Lake Worth, last Sunday, with Thomas Edison chapter there as the host. A short business session was held, and the assembly attended a special service at the First Congregational Church. Dinner was served in the temple dining room, and at 7 o'clock a curfew devotional service was held at the beach. The afternoon election of officers resulted in Carlton Ellsworth, of Miami, being elected District Master; Counselor, William Evans, of Belle Glade, Junior Counselor; and Henry Pears and Frederick Stevens, of Belle Glade, as preceptors.

Moose Lodge Takes Purchase Option On The Gala Club

Planning for a new lodge home, the Belle Glade Loyal Order of Moose is disposing of the present Main Street building, the same are being purchased in a satisfactory manner. The lodge has been given an option on the purchase of the Gala Club at South Bay, and the purchase of the building is being made. The option is closed, then the lodge by repairs can proceed with the purchase. Without a heavy cost, into quarters which will meet every requirement desired.

The local lodge has signed up 211 candidates, of which 150 have been accepted for initiation. A class of initiates will be given on the degree on Thursday night, July 7th.

On the fourth of July the new home of the Clearwater Lodge will be opened and dedicated with proper ceremonies and entertainment.

On July 11, the Florida Moose Association, will be entertained by the West Palm Beach lodge. There will be a large campaign rally there on the afternoon of the 11th.

Coach "Doug" Leavitt announced that he has lined up 1949 football players for the 1949 season, and has two open dates on October 7 and 28, which he is anxious to fill. With the new team, he stated that he has some very likely candidates on his bench, and is hoping that by season time he will be up to customary strength.

Belle Glade so far has four players from home games, at New Smyrna, Ft. Pierce, Broward and Delray. The opening game for the Rams will be played at New Smyrna, a team which the Rams have never met, but a school which has a very excellent team each year.

The games so far are with New Smyrna, Ft. Pierce, Ft. Pierce, New Smyrna, Lake Worth, South Broward, Delray and Pahokee.

The new assistant coach, James Mayner, a strapping fellow who has a merry way with him, already has taken over the reins of the team, and will train the lads in the defense and offense plays of the team.

With two practically new coaches at the helm, local fans will be watching how they whip our Rams into field players. The Rams have some mighty hunky lads in the squad and they are exhibiting the spirit of co-operation with the coaches, for after all they must hold up their pride of past seasons.

The Annual Two weeks Catholic Religion Class being held at St. Margaret's Parish will close with a picnic at the Everglades Park on Sunday. Thirty children have been attending the Religion Classes, 17 of them from Belle Glade. The picnic dinner will be served at the Clewiston City Park and games will be played.

Masons Decide To Erect New Temple When Financed

Kenneth Lutz Gives Building Lots On Lakeside Drive For New Structure

Belle Glade Lodge No. 273, F. and A. M., at its communication on Tuesday night, by unanimous vote, members present, decided that the Temple Company should proceed with the arrangement for the erection of a new temple, as soon as the Building and Finance committees were ready for such action, at a cost not greater than \$25,000.

The Temple company was also authorized to sell the lots on Lakeside Drive, one of which had been donated by Mr. and Mrs. Arthur Wells and the other purchased from them, and to accept the gift of Kenneth Lutz of a plot of two lots on Lakeside Drive, near the proposed high school property. The Temple company was also directed to secure the services of an architect to draw plans for a one and two story building to contain the room of the new temple, which will be desired in the new temple, which will be a non-commercial structure to be devoted entirely to Masonic and affiliated lodge activities. The proposed building will be 60x100 feet in dimensions, in all probability a one story structure, which a majority of the membership seemed to favor.

The Temple Committee and the Lodge Building and Finance committees will work in conjunction on the project, and when ready, will make a complete report on the project for approval. The Building Committee is composed of E. W. Will, John Kirk, W. P. Risk, Huber Chambers, Jack O. Johnson, and the Finance Committee is Jack Royal, W. P. Risk, and G. W. (Doc) Crews.

In summing up available funds for temple use, subscription (Continued on Page 4)

Mrs. Wedgworth Wants Colored Truant Officer

The County Board of Public Instruction had a busy program at its session, this week, with various items of important business, including the proposed new law, which will make a complete report on the project for approval. The Building Committee is composed of E. W. Will, John Kirk, W. P. Risk, Huber Chambers, Jack O. Johnson, and the Finance Committee is Jack Royal, W. P. Risk, and G. W. (Doc) Crews.

The South Bay School had farming lands and the Board was to allow the Belle Glade Future Farmer's of America, to use it for farming projects. Several of the recruits were allowed six days during the year.

City Registration Books Again Open For Register Enrollment

After having been closed for several days, City Clerk A. L. Walls states that city registration books are again open, and city registrations can be made at his office until September 3rd; if you have lived in the corporate limits of the city full 12 months to September 13th, when the annual election will be held for the choosing of three City Commissioners.

Be Democratic, and do what no one else can do for you. Register before it is too late, and then come out and vote on city election day, Sept. 13th, to squawking if you are not allowed to vote, through your own negligence in not registering.

Farmer Boys Enjoying Week Outing At Camp McQuire At Ocala

Assistant County Farm Agent, Harry Williams, and H. L. Speer, headed a motor caravan from West Palm Beach, for 4-H Club boys, for Camp McQuire in the Ocala National Forest, near Ocala, for a week's outing. Some 200 boys from all over the state are expected to be in the big camp.

Boys from Lake region towns are Wayne Williams, Collier Williams, Kenneth Dees, Loschatche, Buddy Register and Jack Hemphill, South Bay boys are Buddy Register, Leland Plank, Harold White, of Lake Harbor.

The boys are all paying their own expenses for the outing and will get instructions in agriculture, woodcraft, leadership, swimming, boating, fishing and forestry.

League Game Is Rained Out But Lake Worth Wins

Rain drove the Independent and the Lake Worth Ramblers to a forfeit Sunday afternoon. Five-day ball games of play had been completed, and as the rain failed to come in, the minutes umpire called the game, which the Ramblers carried off by a score of 4 to 0.

The game was for a good game, the national play time, with Harrell and Thompson doing the box work, Harrell was the pitcher, and was handed six free passes, while Thompson had his "drop" worked to perfection and fanned nine of the Independent's McClatchey had two clean singles and Harrell gathered in the final single.

The game was the sum of the Pugh boy's hitting. In the second, Carey got a walk, and scored on walks and singles. In the fourth Merges, Gross and Carey singled in turn, the last for a perfect inning triple scoring two scores.

Other league games resulted as follows: Clewiston 5, Pompano 1; Stuart 7, Okeechobee 2; Boynton defeated Jupiter, no score available.

Plaques Dedicated To N. V. Maxin At Annual Methodist Church

The Men's class of the Methodist Church at Cape Point, recently had a bronze plaque made and placed in the church honoring N. V. Maxin, who for 19 years served faithfully as the Superintendent of the Bible School.

No County Wide Berkelee For The Present Year

The RDB has decided that it will not sponsor or stage a county wide outing and picnic this summer, owing the high cost and the work attached to such gatherings as held at Pahokee last year. The board has decided that there will be a number of district blowouts planned for various parts of the county, where promotional work can be presented and set to work.

New Fingerprint Expert Arriving At Funk Home

Sergeant Louis Funk, of the police force, on Friday, started in on his annual vacation, at an opportune time. For instead of listening to police radio report and taking finger prints, he will be listening to the howls of a new son, and walking the floor singing lullabies.

The Funk's new heir was born at the Belle Glade hospital on Friday, and the family roll now checks five boys and one lone girl.

Singing Society Held Meet At Canal Point

The Palm Beach Singing Society one of the oldest organizations in the county, held its June sing at the Primitive Methodist church in Canal Point last Sunday, with a large audience.

Every one who attends these gatherings always has an enjoyable time singing the old time church hymns.

South Bay Approves Change In Village Election Date

A special election was conducted by the Town of South Bay at 10 o'clock Monday, and approved a recently enacted legislative bill to change the date of the village election from the first Tuesday after the first Monday in October.

The vote was very light only 38 electors out of a possible 108 qualified voters who were in residence availed themselves of their privilege of referendum. Of these 37 voters, 21 voted in approval and 1 voted against.

The election board consisted of Mrs. F. W. Mutchler, Mrs. A. B. Barnes and Mrs. A. N. Lamoreaux, inspectors. J. W. Warren, deputy.

Special Committee Investigates Glades Operation And Promotions

The RDB, which does so much promotional work for the Glades area, is becoming very much interested in the cattle raising, buying and selling in the Glades area of the county. It is to make this subject a matter of investigation, and will be reported in a meeting President A. E. Kirkman named a special committee to look into this matter.

The members of this committee are: Roscoe Bradlock, chairman; Roy Vanderrift and Thurmond Kaula of Pahokee; John Evans, of South Bay; J. H. Chambers, W. P. Hill, and Jose Kutz, Ft. Myers; Ray Iversen, West Palm Beach and H. L. Speer, and the latter two officers being ex-officio.

Next Elks Golf Tournament At Coral Gables

The golfers of the various Elks lodges of the South Florida district have been summoned to gather in a district match at the Biltmore course in Coral Gables on Sunday, July 31st, at 10 o'clock. There will be team and individual contests for men and women and some fine prizes to be awarded. Dinner is to be served at the Coral Gables Elks home following the tournament play. Bob Muller is again named to arrange for the representation from Belle Glade lodge.

Harold Rabin, one of the trustees of Belle Glade lodge, has been elected a member of the Board of Trustees of the Harry-Anna Crippled Children's Home, Miami, which is one of thirty new members added. (Continued on page two)

Engineers, Bankers, Farmers And Scientists Proclaim Advantages Of Overal Food Control Works

War Hero Frank H. Hollingsworth 'Is Brought Home

Services will be held for T/Sgt. Frank H. Hollingsworth who was killed in action over Germany on August 12, 1943, at the Lake Worth Funeral Home on Sunday July 3rd at 2 p.m.

A Controlled Water Table Over Entire Area Makes For Stability In Farming

Althugh Ralph Johnson, who has had a law office in the Sanders block for the past several months, has moved his office to Pahokee, where he will devote his time and talents to business there. His new office is on Bay Point road, along side of the Bleach Insurance agency.

Ralph made many friends during his short stay in our city, who wish him eyes in his new location. He is the brother of Judge Jack O. Johnson, and a graduate of the law department of the University of Florida at Gainesville in 1945.

Florida Masons Visit Havana To Dedicate New Masonic Temple

Some 300 South Florida Masons, headed by Most Worshipful Grand Master A. Wayne Connors, of Tampa, will visit Havana, Cuba, over the Fourth of July holiday period, to assist in the dedication of a new large Masonic temple. They go at the invitation of Grand Master Dr. Carlos M. Pinero. The Florida dedication will be held at the Hotel President while in Havana.

Speechmakers and "authorities" think it is especially common, referred to this vast expanse of the richest soil in the world, and being gilly mentioned "millions" in the overall Flood Control Plan a lake will be built around 600,000 designated as "agricultural lands", which, for the first time, marks off the usable agricultural lands in the present and for some time to come.

This has pointed the official finger and limited the present acreage of the area, moved from competition all much lands in the Everglades, which is a very sticky judgment, which, for the first time, marks off the usable agricultural lands in the present and for some time to come.

Richard McConnie Succumbs To Heart Attack On Friday

Richard C. McConnie, age 59, died very suddenly from a heart attack, at the home of his daughter, Mrs. Jack O. Johnson, on Friday, June 24th. He was born October 13, 1890 at St. Vincent, British West Indies, where he also received his education. For more than thirty years, Mr. McConnie was associated with the Florida Sugar Company and is credited with contributing greatly to the development of sugar cane products in Puerto Rico.

He was a graduate of the United States in 1924, and was a member of the Masonic Lodge and the Lion's Club. Mr. McConnie and his wife arrived from Puerto Rico in February, 1948, to spend several months with Mr. and Mrs. Johnson and were planning to return to their home in July.

Survivors are his two sons, Richard L. McConnie of Caguas, P. R., and Randolph J. McConnie of Buffalo, N. Y., and Ralph O. McConnie of Chicago, Ill., one daughter, Mrs. Johnson, Will 4 grandchildren.

Services were conducted at the Berry Funeral Home in Pahokee on Sunday afternoon at 4 o'clock by the Rev. Leonard Vanderhulst of the Community Methodist Church of Pahokee.

Friends have received word from Mrs. Barbara Hayman in Salisbury, Maryland, that she has been accepted as a student at Vassar in Poughkeepsie, N. Y. She is a graduate of this high school, and followed by Don Miller and Son, for \$50,000. A. L. and Fannie Fowler, new residents of the area, are looking for new places in life insurance. A recent newcomer in our state ranks.

Bank loans are showing a high decrease and a number of money centers are concerned in the effects, as the reduction of money is being cut. Money is cheap so investors are looking for new places in life insurance. A recent newcomer in our state ranks.

Definite Area Within Agricultural Lands

Now that both State and Federal appropriations are practically assured, many persons are wondering just what this Overall Flood Control Plan really is. Is it a dispensation of Federal money with political motives just to get the "foot in the door" of money vaults, or really a constructive plan justified by hard headed economic considerations?

Economists of the U. S. Engineers found it easy to make their estimates of capital investment high and potential taxes and benefits to local, state and federal coffers low in order to make a showing of a high justification, particularly in the southeast of Florida area.

Now, just what do the boys who till the soil, lend the money, scientists, business and professional men think?

We have omitted the real estate operator, for some have expressed a real danger now is another real estate boom, which some one wants.

Speechmakers and "authorities" think it is especially common, referred to this vast expanse of the richest soil in the world, and being gilly mentioned "millions" in the overall Flood Control Plan a lake will be built around 600,000 designated as "agricultural lands", which, for the first time, marks off the usable agricultural lands in the present and for some time to come.

This has pointed the official finger and limited the present acreage of the area, moved from competition all much lands in the Everglades, which is a very sticky judgment, which, for the first time, marks off the usable agricultural lands in the present and for some time to come.

Survivors are his two sons, Richard L. McConnie of Caguas, P. R., and Randolph J. McConnie of Buffalo, N. Y., and Ralph O. McConnie of Chicago, Ill., one daughter, Mrs. Johnson, Will 4 grandchildren.

for the project, it was deemed

that the entire cost of the land and furnishings could be raised, and the Temple dedicated without debt. Local loggers must be approved by the Grand Master and his Cabinet, before any actual construction work can be started.

Belle Glade Lodge, has been a daily institution for the past nine years, formed by a nucleus of loggers like long to Everglades Lodge at Pahokee, and since built up to a roster of more than 150 members, and still growing rapidly, under the masterful leadership of Frank Kelly, Sr., At Kirchoan, Cliff Green, Joe Cherry, Lou Bester, Ralph Freeman, W. P. Risk, John Kirk and now L. E. Will.

Sentiment had long existed that with a lodge like Belle Glade Lodge, it should have its own home and that sentiment has now crystallized to the above indicated action.

A. and P. Company, 1000 E. 1st, Pahokee Store

The A and P Grocery, which was operated in Pahokee for just 17 years, with George Belle as its manager, has left the city, and Belk and Jack Phillips have taken over the store, and are in line of merchandise. Belk formerly operated a store in Belle Glade for several years, while Joe A and P withdrew its store.

Services were conducted at the Wilmington First Baptist Church Monday and burial was at Canton, Georgia.

Continued from page 1

same season—has had the guess work removed as far as practical and a man's ability and experience are the factors to be given serious consideration in making a loan. Yes, a great record has been removed from Glades agriculture," says H. M. McIntosh of Pahokee, banker to a majority of Glades farmers.

R. Patterson, a practical engineer for over thirty years in the Glades points out that sub-drainage districts have relieved of the constant threat of devastating floods against their perimeter dikes, will be relieved of that financial burden, of relieved of maintenance against this and devote time and money to a more efficient operation of the works for water control within the district.

Turner Wallis, Chief of the EDD's engineering points out that "now that there is money available to treat the area as a whole from an engineering standpoint, intelligent planning is making it possible to come up with a more efficient and workable installation."

An official of the West Palm Beach Water Works feels that the plan of the EDD's is a just and complete plan for the future of water in source of West Palm Beach.

The lack of water during dry spells has been a problem of this area for commercial users.

East coast areas along the east coast are faced with the same problems, some more severe than others. We feel that this monumental hazard to development along the coast will be largely eliminated when these works have been completed, Mr. Simmons continued.

Incidentally this EDD tax is for debts incurred for works that do not afford much relief now—like paying for a chicken dinner you ordered but didn't eat two years ago.

James A. Ball, broker and farmer says "This is the first time the Everglades land owners have had any help in financing drainage and water control. Under this plan, state funds required will be raised by tax not only on the Glades lands but also on all real estate in the district. In my opinion this is a fair manner to handle such financing."

An important development of the Overall Flood Control Plan, and one which was not emphasized before or during the legislative action is that providing for the establishment of the Everglades Drainage District, and the early payment of its outstanding indebtedness.

The most valuable lands around the Lake are now paying \$1.50 per acre EDD tax, the next \$1.10 and the next \$0.90. Under the new 18-County District there is a uniform ad valorem tax not to exceed one mill, with the first year's organization tax of three tenths of a mill.

Generally the highest valuation on tax rolls for ad valorem purposes is \$100 per acre; so that present tax payments for over all drainage of 90c to \$1.50 will be automatically reduced to not to exceed ten cents per acre."

MASONS DECIDE TO (Continued from page 1) lions secured and to be secured and the enthusiasm displayed

"I'm from Milwaukee I ought to know..."

BUT IS MINNAPOLIS' FINEST BEER?

BRIAN DONOVAN

At an estimated crowd of over ten thousand spectators, the Fourth of July Rodeo and Barbecue at Okechobee.

The usual Rodeo contest events will be presented with large prize monies offered for the best bull and bronc riding, calf roping, and calf roping.

A most interesting event will be the cutting horse contest in which some of the finest cow horses in the state will participate. The reigning contest should bring forth some of the best

trained and most intelligent

There will be all kinds of horse races, among them a cow-punching race in which only proven horses may participate. Any good horse which proves his ability in the arena may enter.

The highlight of the two day show will be the big Barbecue which will be served at noon on the Fourth of July. This dinner is under the capable management of Clair Coffey of Ft. Pierce. Citrus-molasses feed and plenty of crisp pork ribs are on the menu.

The show is being produced and directed by Tom Kirby of Ft. Pierce and Oscar Clemens of Kissimmee. Among the outstanding cowboys to be present are Odie Cowart, roper from Center Hill, E. Pardee, Champion roper from Palatka, Larry Reidel, bull and bronc rider, and many others.

The show will be presented at two afternoon performances on the 3rd and 4th.

County Prisoner Stockade Paying Inmate's Spillway

Around a year ago, the County Commissioners voted that a county stockade should be erected for the housing of county prisoners, who were held to work out their fines, assessed in court. The Commissioners and Engineering Jack Boyd decided it is a good proposition then and are more so impressed now that the scheme has worked out in the year of experiment.

This stockade is located south west of Military Trail Road, away from public inspection and is a pretty complete institution for its purpose. Sufficient housing and living quarters have been provided for the housing of some 30 prisoners. With men sent out to do public work with stock and vegetable raising and a sawmill to work up used planking, the prisoner inmates are kept busy. The county pays prisoners \$3 a day but gets \$4 a day credit for their work.

Training in Radar

Each new equipment is arriving weekly for the Naval Reserve Electronic Warfare Division No. 5-2, according to Lt. Cmdr. Walter H. Thames, Jr., commanding officer. A new P.M. receiver which arrived this past week is being assembled by members of the unit.

All ex-Navy men are urged to drop out to the Radio Shack located at the Okechobee Labor Camp on Route 90, on Monday night, when the regular drill night and have a look-around. Men who join the unit will attend weekly sessions are given liberal credit under the United States Naval Reserve Retirement Plan. Men with radio ratings are especially needed. Lt. Cmdr. Thames reports he has a paid opening for a qualified person who will join the unit and help with the "paper" work involved on Monday nights.

This group is not limited to ex-Navy men as many men 17 years or over who are interested in joining the United States Navy Reserves is cordially invited to drop out to the "Shack" on Monday night, when the regular drill night and have a look-around. Men who join the unit will attend weekly sessions are given liberal credit under the United States Naval Reserve Retirement Plan. Men with radio ratings are especially needed. Lt. Cmdr. Thames reports he has a paid opening for a qualified person who will join the unit and help with the "paper" work involved on Monday nights.

Church of Christ, Scientist

The subject of the Lesson-Sermon which will be read by the Church of Christ, Scientist, throughout the world on Sunday, July 3.

The Golden Text is: "I will say of the Lord, He is my refuge and my fortress: my God: in him will I trust." (Psalm 91:2).

The Lesson-Sermon is the complete Bible lesson which comprises the Bible lesson for the week of July 3, 1949, and as the voice of a great multitude, and as the voice of the church, and as the voice of mighty thunders, saying: "Alleluia!" (Rev. 19:6).

The Lesson-Sermon also includes the following verses from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "We lose the sense of our omnipotence, when after admitting that God, or God, is omnipotent and we all-knowers, we still believe there is another power, named Satan." (Rev. 12:9).

"There is no sower apart from God. Omnipotence is all-power, and we all-knowers, we still believe there is another power, named Satan." (Rev. 12:9).

CARD OF THANKS

We wish to thank our friends for the generous food for our beloved husband and father, Richard C. McConnell. Your kindness and sympathy at this time is more deeply appreciated than any word of thanks can ever express.

Mr. and Mrs. Jack O. Johnson 7-1-49

County School Outlook

Not So Bad Says Sp. Howell Watkins

Working out figures in relation with annual school budget, County Sp. Howell Watkins, says "Things are not so dark for us in Palm Beach County as in some of the other counties of the state, for by careful checking and appropriation of monies, and revisions of projects we will be able to carry out our customary nine months of school, even with the cut away by the state in finances."

New School Principal For Moore Haven School

The Glades County Board of Public Instruction has employed Prof. Robert E. Austin, of Brownsville, Pa., as principal of the county high school at Moore Haven. After a personal inspection, he informed the Board that he would accept the position, and would soon move his family to Moore Haven.

Fought Tarpon Down At Ft. Lauderdale Spillway

Mike Murphy, Jr., and Dr. Thomas Beatty traveled down to the spillway on the Ft. Lauderdale road, Saturday afternoon, to try out their flyrods on the tarpon which inhabit those waters. The boys reared a great bit of sport, and were all worn out when the tarpon roared. Doc got hold of one that was nearly half of him and he was mighty happy that the big fish threw the hooks after making several high jumps.

County Prisoner Stockade Paying Inmate's Spillway

Around a year ago, the County Commissioners voted that a county stockade should be erected for the housing of county prisoners, who were held to work out their fines, assessed in court. The Commissioners and Engineering Jack Boyd decided it is a good proposition then and are more so impressed now that the scheme has worked out in the year of experiment.

This stockade is located south west of Military Trail Road, away from public inspection and is a pretty complete institution for its purpose. Sufficient housing and living quarters have been provided for the housing of some 30 prisoners. With men sent out to do public work with stock and vegetable raising and a sawmill to work up used planking, the prisoner inmates are kept busy. The county pays prisoners \$3 a day but gets \$4 a day credit for their work.

OBSERVATIONS

Continued from page 1

gathering in most of the new capital lay-outs. Marketing trial goods are getting a parting in lower prices, in hopes to bring back a revival of big orders. Marshall plan monies and orders are going to help the waning markets and slowed down producing plants.

Been out to see any of the soft ball games? Teams are getting pretty well organized, and putting up pretty good ball. More sure will call the last game prompt on the hour of eleven. No more one o'clock lasting games, as was the case last year.

James Maynor, through stranger to the Glades, you as assistant coach for our Golden Kings, and director of recreation in other schools of the section, we welcome you to our midst. We feel you will like our people and our children, and with competent work, on your part, and give you our fullest support. You will find us rabid sport fans, but fair ones, too.

Those who might be looking about for places to celebrate Fourth of July might try Arcadia for a rodeo; Stuart for a county wide celebration and barbecue, while south Florida Odd Fellows will gather for their third jubilee celebration.

After looking at brown, dried and purchased products, after nine months, it seems good to see the lush green grasses growing and cattle reveling in the succulent food. Cattle are being sold on the local market and retailed through our markets. Saw one hundred quarters which weighed over 600 pounds of beef, and what a price is bringing, too! The question of a cattle market in the area is receiving considerable attention in cattle circles. Heading to Arcadia, Kissimmee, Okechobee or Miami entails much work for the cattlemen, and also cuts down weight of animals, some of which would be done away with should we have our own Glades region sales market.

The Pahokee group of veterans who wanted to get home-stead rights on bay-lands, are now fighting on a co-op movement, where the lands can be secured on a lease basis, for farming purposes. Some fine valuable land out there in that area.

The small stucco building at the Standard Oil Company's service station is now in possession of the city, and will be moved either to the water works grounds or out to the dump grounds for a guard house and tool depository. The old building has seen many years of service.

Well, see where our Florida Governor has picked a California "punch" for his helpmate. This is one of the few times on record that a Floridian surrendered to a Californian. Perhaps the Miss could not put a check to Warren's ardent wooing wedge, and had to say "yes" to self defense. See where the Governor is tired of his job, and would gladly relinquish the seat if it was constitutionally possible. Well sometime people do covert and secure things that later they wish they had never sought or desired. People have to wise up the hard way, be it politically or otherwise.

When future buildings go up in Belle Glade, the city sure has an ordinance, which will make it possible to see that such structures do not encroach on city properties. The new survey will settle some of the line and grade controversies.

The colored boys who think pastures look and are more profitable than staying on the prison farm serving out sentences, are finding their dreams not so good. Most of them are soon picked up by law officers. An escapee loses all his good time record, and can expect the courts to add an additional year to their original sentences.

League Game 15
Continued From Page One
Belle Glade — 000 00 6 3 3
Summary: Batteries, Lake Worth, Thompson and Menzies; Belle Glade, Harrell and Brannon; Three base hit, Carey; struck out by Thompson, 9; Harrell, 4; base on balls, Thompson, 1; Harrell, 6; double plays, Parker and Brannon; left on base, Belle Glade, 9; Ramblers, 4; Umpire, Moseley.

CITY SOFTBALL GAME RESULTS
Announcement is made by school and softball league management that entrance to the

at Greynold's park; and a big Rodeo at Kissimmee.

The good co-operation which exists between the city, district, and county law officers and city fireman, was shown in the recent incendiary fire at the E. Hill property. They not only got the arsonist, who drew five years in the pen for his revolutionary job. They even got another drunk from under the burned house where he was sleeping off his night before last, and during the time of emergency, such as wrecks and drownings.

Dr. Edward L. Morphet, for many years an expert in administration for the Florida State school system, and later in a similar capacity with the Kentucky schools has been hired by being named as Chief of the school finance department of the Federal Department of Education. Dr. Morphet has many friends in Palm Beach County where he has given much service in connection with school problems.

The Pennock Dairy at Jupiter has one of the finest dairies in the state, and H. L. Speer, assistant county agent, makes official visitations there each month. The American Jersey Cattle Club of Columbus, Ohio, reports three off springs of the Penny Cooches, except by more than three times the better fat production of the averaged aged cows in the United States. The tested progeny produced an average 10,132 pounds of milk and 4.91 test, and 492 pounds of butter fat.

After looking at brown, dried and purchased products, after nine months, it seems good to see the lush green grasses growing and cattle reveling in the succulent food. Cattle are being sold on the local market and retailed through our markets. Saw one hundred quarters which weighed over 600 pounds of beef, and what a price is bringing, too! The question of a cattle market in the area is receiving considerable attention in cattle circles. Heading to Arcadia, Kissimmee, Okechobee or Miami entails much work for the cattlemen, and also cuts down weight of animals, some of which would be done away with should we have our own Glades region sales market.

Belle Glade Herald

bleachers will now be gained through the north gate near the football bleachers. This was done so that side one may not be jammed with cars, and because there is plenty parking space for all autos and trucks. This entrance also gives most direct access to the playing field.

Two games were played on Thursday night, and both had their outstanding features. The first contest was between Billy's and Richmond's, and the former was leading to the last inning. Then the Plumber's came up, loaded up the bases, and Walker Fears pulled a deep double into left field and three scores crossed the platter and the entry lads were defeated by a score of 6 to 5.

For five innings it looked as if the Plumber's team, for that is the name taken by the Coastal Truck and Equipment corporation team, was in for a victory in the Buick team, as they led by a score of 6 to 0. In the fifth the Buick team, who were scored with three runs and added two more in the sixth, but did not quite have the punts to put on a tying or winning run, had to succumb to a 6 to 5 defeat.

The Buick's were out in their new red colored uniforms, and as a team look quite formidable on the field, in fact watch them. Murray pitched a mighty creditable game for five innings, and also got a hit, but retired in favor of Luiz, Barker and Blaise Murray, Luiz and Williams were the batteries.

On Friday night, on a rained school field only one game was played, between Ralph's Market and the Pontiacs. This time the Pontiacs were defeated by a score of 7 to 1. Fugly, the Thompson, Creech and Bush were the batteries in this contest.

Two games were played on Monday night without rain interference, in which the Chevrolet's and Buick's dropped games to Billy's and Richmond's Plumber's by scores of 7 to 6 and 2 to 2.

In the opening game, Richmond worked the box for the safe side, and Charlie a new starter, was throwing them over the Schoepfle lads. It was a close played game, and the winning run scored on a steal home slide at the plate.

H. C. Hise had his arm working right, so Billy's did not touch much with his offerings and Richmond's early took a lead off the pitching of Coach Leavitt, whose control was anything but certain. The Buick's did plenty of ragged fielding. With a four run lead made in the first the Richmond's lads were never headed or even seriously threatened.

Bride Showered
Mrs. C. A. Armstrong assisted by Mrs. J. H. Harrell and Mrs. J. Frank Prevatt entertained at a miscellaneous household shower Friday evening for Miss Vivian Wingate bride elect of Steven C. Pate of Belle Glade.

Guests were entertained with games and contests during the evening. Following the shower were gifts, sandwiches, cakes, punch and mints were served and favors presented to Mrs. Mary Leonard, Mrs. George H. Hise, Mrs. R. E. Hise, Mrs. Francis Harris, Mrs. R. C. Buckles, Juanita and Dorothy Buckles, Mrs. Cliff Green, Mrs. Leah Banard, Mrs. R. L. Barrett, Miss Helen Prevatt, Mrs. J. W. Lyons, Mrs. O. H. Hise, Mrs. John E. Reynolds, Mrs. Albert Reynolds, Miss Norma Jean Armstrong, Mrs. Bill Blackwell, Mrs. Thelma Pascock, Mrs. W. C. Pate, Mrs. Walton Sheffield.

Silver Wedding Anniversary
Mr. and Mrs. Floyd Abstein of Fort Pierce held open house Friday evening 8:00 to 10:00 o'clock at their home in celebration of the 25th anniversary of her parent, Mr. and Mrs. W. C. Allen of South Bay, and the 25th wedding anniversary of their own marriage.

A huge wedding cake with a silver "Happy 25th Anniversary" centered the bride's table. Both couples were married on June 24th.

Jane Allen of South Bay, Judy and Linda Abstein were honored guests.

Civil Service Job Opening At Lake Harbor Post Office
The U. S. Civil Service Commission, Atlanta, Georgia announces an open competitive examination for probationary (leading to permanent) appointment to the position of substitute clerk in the 3rd class post office, Lake Harbor, Fla.

Applications will be accepted from persons who reside within the delivery of the Post Office named or who are Bona Fide Patrons of such office. Persons employed in the Post Office will be considered Bona Fide Patrons.

Persons entitled to veteran's preference will be given preference as provided in the Veterans' Preference Act of 1944.

For detailed information on preference and other items see Examination Announcement at the local post office.

SOUTH BAY
BEAN CITY
LAKE HARBOR

J. E. Henderson has returned home from Pratt General Hospital convalescent from a recent operation.

Mrs. Edward Green of Anniston Ala., is visiting her sister Mrs. W. C. Allen and will attend the wedding of Miss Vivian Wingate and her son Steve C. Pate at the South Bay Baptist Church Saturday afternoon.

Mrs. Fred Calo is suffering from an infected finger resulting from a cut.

Mr. and Mrs. Wade Knight, Mr. and Mrs. Ray Knight, uncle and cousins of Mrs. Elizabeth Roberts are here from Graniteville, S. C. for a visit. Mrs. Ray Knight will visit her mother at Klemme.

Mrs. W. N. Christensen and sons, Curtis Neal and Douglas, arrived last week by plane from Seattle, Washington for a visit with her parents, Mr. and Mrs. E. C. Willis, her brothers, Mead and Frank Willis, and her sisters, Mrs. Edith Van Landingham and Mrs. Alice Van Landingham and their

families in South Bay and Belle Glade Mr. Christensen was recently graduated at the State University of Washington and they plan on making their home at Long Beach, California on her return home.

Miss Dorine Mathewson, daughter of Mr. and Mrs. J. W. Mathewson, is attending Girl's State at Tallahassee this week as the representative from the Belle Glade High School.

Children Enjoy A Birthday Party

Daphne, age 4, and Betty Lou, age 3 were honored at a joint birthday party Friday at the Vacation Bible School from 10-12 a.m. given by their mother, Mrs. S. E. Henderson.

The children played games on the church lawn. Mrs. A. B. Barnes, hospitality chairman for the Bible School, arranged a big barn yard cake for a centerpiece for the table. Daphne and Betty Lou each had a Happy Birthday cake which

were cut and served with punch to all the guests. Guests also received as favors, paper hats and plastic baskets filled with candy.

Guests were Bobby, Elaine and Wade Nelson of Belle Glade, Sharon Prevatt, Richard Barnett and Jerry Odum of Bean City, Paul Crosby of Pahokee, Rebecca Woodham, Tommy, Timothy and Johnny Bass, Frankie, Dick, Dan and Doris Willis, Bertram and Butch Davis, Mary Lou Mott, Linda and Sharon Wilder, Edie Roberts, Sharon Kendall, Walter, Linda and Bernice Leathlean, Susie Willis, Steve Nelson, Billy Wall, Barbara Cook, John Lee Henderson, Judy and Tommy Weathers, Mary Louise Cook, Peggy, Williams and Wayne Harrelle.

Summer Recreation Program Started

The summer recreation program at the South Bay School was organized last week with an initial group of 35 children of various ages. Jim Maynor, assistant coach at the Belle Glade High School, is in charge of the supervised play on Mondays, Wednesdays and Fridays

from 9-12 o'clock in the morning and from 2-5 in the afternoon. Tuesdays, Thursday and Saturday morning he is in charge of supervised play at the Lake Harbor School. All children in the community are welcome to enjoy the fun. The anxious mothers met with him last week and agreed to take turns in assisting with the supervision of the play of the smaller age group of children. New equipment purchased with funds provided by the Parent Teachers Association and the Town has been received. Boxing, ping pong, soft ball, basketball, dodge ball, checkers, bingo, building sets and other games have been provided for the children.
